

Data collector for  
TDA2 or TDA3 control systems  
for vending machine

## CARTADIS TP2-DA

Compatible with  
**Cartadis TDA2**  
(magnetic cards)

Compatible with  
**Cartadis TDA3**  
(chip cards)

Follow your uses with the TDA2 or TDA3 terminals  
and the TP2-DA data collector

- Simplifies the collection of your statistics data
- Integrated printer
- Functioning with batteries
- RS232 link (TDA2 / TDA3) or transmission via infrared (TDA3).
- Cloning function of parameters

# Cartadis TP2-DA

## ■ Principle

As your site of vending machines is fitted with **Cartadis TDA2** or **Cartadis TDA3**, the **TP2-DA** portable terminal will enable you to:

- collect the **TDA2** or **TDA3** use statistics,
- reset automatically the interim counters,
- copy the functioning parameters (tariffs, ...) from a terminal to another (cloning function),
- print out data collected by means of the integrated printer,
- transfer data to a PC via a RS232 link.

Depending on equipments, the connection between the **TDA2** or **TDA3** terminals and the **TP2-DA** portable terminal uses either a RS232 link or an infrared one.

Up to 50 **TDA2** or **TDA3** may be collected before the memory is being erased.

## ■ Example of data collecting printing

<b>TDA2 software version</b>	→	CARTADIS TDA2 v3.1
<b>date of print out</b>	→	Date : 10:10:31 31/08/03
<b>TDA2 serial n°</b>	→	S0 : 30123
<b>TDA2 site ° 1</b>	→	S1 : 30123
<b>ticket n°, it will increase automatically from the next sale</b>	→	Ticket : 2
<b>general audits</b>	→	A0 : 20969.00
		A1 : 0.00
		A2 : 0.00
		A3 : 60.00
		A4 : 0.00
		A5 : 42
		A6 : 0
		A7 : 14
		-----
<b>coin scaling factor and card selling per product</b>	→	F5 : 0.10
		A11 : 51
		A12 : 29
		A13 : 10
		A14 : 2
		A15 : 0
		-----
<b>number of sellings per product with the coin mechanim</b>	→	A11 : 51
		A12 : 29
		A13 : 10
		A14 : 2
		A15 : 0
		-----

## ■ Compatibilities

Cartadis TDA2 V3.1 version or higher (via RS232 link),  
Cartadis TDA3 all versions (via RS232 link or infrared transmission).

## ■ Technical features

**Dimensions** : L 220 x W 100 x H 100 mm

**Weight** : 1 kg (power supply included)

**Power supply** : internal battery with 220V power supply adaptor.
