TC4N

Copy management by account cards and copy vending by debit cards

The Cartadis TC4N deals with the management and the sale of copies by using magnetic cards for any type of copying equipment.

This rugged and easy to use magnetic card reader will facilitate the profitability of your copying equipment by its reliability in intensive self-service use.

Particularly suitable for educational and firm environments, the **TC4N** controls 10 000 different accounts, as well as copy payment, by means of disposable or reloadable magnetic cards.

The Cartadis TC4N benefits

✓ Compatible with 99% of brands and models on the market.
✓ Reliable and rugged system.
✓ Possible use of either paying or free accounts.
✓ Accepts paper disposable or and plastic reloadable cards.

The cards and compatible units

The **Cartadis TC4N** cards are credit-card sized featuring the high coercivity magnetic technology. Two types are available: reloadable cards, or disposable cards (not reloadable).
Both cards are supplied blank and need to be recorded before use on the **Cartadis TC4N**. A reloadable card can be revalued and reused several times while a disposable card can be loaded only once.
- ✓ Cards recorded with an account number (account card):
  These cards must be reloadable and first recorded with an account number, a department and copies number may also be included. The **Cartadis TC4N** memory contains up to 10 000 accounts and 99 departments that can be read by means of a printer or any type of data collection system at any time.

- ✓ Cards recorded with a number of copies (value card):
  These cards can be reloadable or disposable and must be first recorded with a number of copies. As phone cards, they are anonymous and dedicated to prepaid copy-selling.

- ✓ The administration card:
  Intended for the person in charge of the copiers, it enables to both program card and access to the **Cartadis TC4N** functionalities.

The **Cartadis TC4N** is compatible with the DRC9 autonomous dispenser/reloader of cards and the P200N/1 optional printer.

P200N/1 printer   DRC9STD autonomous dispenser/reloader
